

### Standard Conditions of Sale

The catalogue description and any exhibition of samples are only broad indications of the Products and Drury Precision Engineering Limited may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order.

The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in Drury Precision Engineering Limited order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes.

The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the products.

On return of any defective Products Drury Precision Engineering Limited shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with Drury Precision Engineering Limited instructions and good engineering practice or if the defect arises from accident or neglect.

Other than identified above and subject to Drury Precision Engineering Limited not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products.

These terms do not affect the Buyer's statutory rights.

Please note that the above is for your information only and does not constitute the Terms and Conditions of your purchase. These can be found on our website [www.evotech-performance.com](http://www.evotech-performance.com). If you do not have internet access, you can obtain our Terms and Conditions by writing to us at the above address.

### Returns, Refunds and Replacements

We hope you are happy with your purchase from Evotech Performance. However, if you wish to return or replace a product, then please carefully read the information and follow the instructions below before sending back your item.

If, within 30 days, you wish to return a product that is not faulty, we will be happy to accept it back, providing that it is undamaged and in a re-sellable condition. You will have to pay the return postage and we will discount your refund by a 10% re-packaging and re-stocking fee. We will not refund the original postage.

If the product is faulty, or the wrong part, or any other reason that is our fault we will also refund the return postage costs.

In either event, please ask for advice when you wish to return anything by calling 0800 634 2801 or by emailing [sales@evotech-performance.com](mailto:sales@evotech-performance.com), we will advise the best method of returning it.

If a product should develop a fault after 30 days, please contact us to discuss.

Please let us know why you wish to return the product.

If you are returning faulty goods, you are entitled to a refund or a replacement part. Please indicate which you prefer.

Please ensure that the goods are packed securely, and include all of the original parts, using the original packaging where possible. If necessary place in suitable extra packaging to protect the goods whilst in transit to us.

Please make sure that you obtain and retain Proof of Posting Certificate from the Post Office when you return your goods. This is to protect you in the event that your goods are lost in transit; they remain your responsibility until they reach us.

### **Returns Address:**

**Evotech Performance, Beechings Way, Alford, Lincolnshire, LN13 9JE, United Kingdom.**

**EVOTECH**  
**P E R F O R M A N C E**

**Aprilia Shiver-Dorosduro  
Crash Protection**

**Installation Instructions**

**Product Reference - 6010**

**[www.evotech-performance.com](http://www.evotech-performance.com)**

### **Kit contents**

- 1 x Spindle Rod
- 2 x Bobbin heads
- 2 x M12 Washers
- 2 x M12 Nylock Nuts

### **Fitting Instructions**

1. Support engine gently. Remove upper main engine / frame mounting bolt securing nut . (In the region around the water pump housing)
2. It is easiest to remove the nut from the engine bolt, fit one bobbin and spacer onto the end of the spindle rod with the nut and washer already fitted and push the original bolt out using the replacement spindle assembly.
3. Fit the remaining spacer, bobbin, washer and nut. Tighten to manufacturers original torque setting.

This product fit's both the Aprilia Shiver and the Dorsoduro.

Crash protector bobbins are designed to limit the damage to the motorcycle in the event of an accident. They will be most effective in reducing damage to fairing panels and ancillaries in the case of the bike falling over or in low speed, low impact accidents. The results of a high-speed, high impact accident are so unpredictable that nothing can be guaranteed to mitigate damage. These bobbins are supplied on the express understanding that no liability whatsoever can accrue to Drury Precision Engineering Limited in the case of an accident.
