

### **Standard Conditions of Sale**

The catalogue description and any exhibition of samples are only broad indications of the Products and Drury Precision Engineering Limited may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order.

The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in Drury Precision Engineering Limited order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes.

The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the products.

On return of any defective Products Drury Precision Engineering Limited shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with Drury Precision Engineering Limited instructions and good engineering practice or if the defect arises from accident or neglect.

Other than identified above and subject to Drury Precision Engineering Limited not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products.

These terms do not affect the Buyer's statutory rights.

### **Returns, Refunds and Replacements**

We hope you are happy with your purchase from Evotech Performance. However, if you wish to return or replace a product, then please carefully read the information and follow the instructions below before sending back your item.

If, within 30 days, you wish to return a product that is not faulty, we will be happy to accept it back, providing that it is undamaged and in a re-sellable condition. You will have to pay the return postage and we will discount your refund by a 10% re-packaging and re-stocking fee. We will not refund the original postage.

If the product is faulty, or the wrong part, or any other reason that is our fault we will also refund the return postage costs.

In either event, please ask for advice when you wish to return anything by calling 0800 634 2801 or by emailing [sales@evotech-performance.com](mailto:sales@evotech-performance.com), we will advise the best method of returning it.

If a product should develop a fault after 30 days, please contact us to discuss.

Please let us know why you wish to return the product.

If you are returning faulty goods, you are entitled to a refund or a replacement part. Please indicate which you prefer.

Please ensure that the goods are packed securely, and include all of the original parts, using the original packaging where possible. If necessary place in suitable extra packaging to protect the goods whilst in transit to us.

Please make sure that you obtain and retain Proof of Posting Certificate from the Post Office when you return your goods. This is to protect you in the event that your goods are lost in transit; they remain your responsibility until they reach us.

### Kit contents

- |                       |                             |
|-----------------------|-----------------------------|
| 1 x Reflector         | 2 x Number Plate nuts/bolts |
| 1 x Reflector Bracket | 3 x M6 x 25mm B/H bolts     |
| 1 x M6 washer Black   | 5 x Cable Ties              |

Bracket A

### Fitting Instructions

1. Remove pillion seat. The lock is located on the left hand side of the bike at the rear of the tank. Remove plastic cover under pillion seat to reveal electrical connection. See Diagram 1
2. Remove plastic cover located at the rear of the fender.  
2 x screws    1 x Allen bolts    See Diagram 2.
3. Disconnect rear light and indicators. Remember to mark the wires so you can correctly reconnect the indicators and rear light.
4. Undo the two remaining Allen bolts and remove the rear fender assembly.
5. Transfer the indicators and rear light to the new Tail tidy. **BracketA**. Thread the cable ties through the holes on the tail tidy. This will allow you secure the wiring when the tail is mounted to the bike.
6. Fit tail tidy using 3 x m6 bolts and one m6 washer provide. Please ensure you locate the washers in the correct positions on the tail tidy. See Diagram 3.
7. Reconnect the indicators and number plate light. Use the cable ties to secure the wiring. Check the rear lights work correctly.
